

Farley, Nathaniel

I was born November 29, 1962 in Slatuzon, Liberia. I am married to Mrs. Mabel W. Farley and we have 4 children.

God started talking to my heart when I was a boy. I even told my teachers and class mates, I will be a Man of God and a Pastor. At that time I did not understand the call of God. My parents were Methodists and I did not attend church regularly.

However, God's voice kept talking to me. As I grew, I began visiting churches and looking for a Bible College to learn the Word of God so my dream could be fulfilled.

In 2001 I was introduced to the UPC of Liberia. I attended a revival in Jaurzon where I was baptized in Jesus Name and received the Holy Ghost. I am from a remote area of Liberia and when our coordinator died the National Board asked me to temporarily fill in. I was not too familiar with the Apostolic Doctrine or the Article of Faith but I accepted the challenge and prayed that God would help me to be trained. I was later appointed as Sunday School Director. Notwithstanding, I kept the prophecy that I received as a little boy before me that God would educate me and make me a Man of God. Therefore, I ran the gospel race with confidence in God. Having been faithful in the service of God, I held the following positions:

- * Sectional Sunday School Director
- * Sectional Secretary
- * Special Assistant to the Sectional Presbyter.

God opened the door for me to attend the Maranatha Bible College of Theology. I will be graduating in July 2008. I will return to my county as Coordinator and Pastor of one of our new churches. I will also be responsible for evangelizing 3 counties.

Thank you so very, very much for your financial support and prayers.
