

### Garger, Robert

I was born in Doewein, Grand Bassa County, Liberia. I am married and have 4 children. My parents were members of the UPC of Liberia.

I was baptized in 1990 but did not receive the Holy Ghost until 1998. In 1998 I was taught the Discover Wonderful Truth Bible study course. From this course, I received the Holy Ghost and began to live a faithful life for the Lord Jesus Christ. In 1998-1999 I attended and completed the Portable Bible School.

Through my commitment and devotion to the Lord's work, I was appointed Secretary for my church. I also began to teach the Word of God. I was then appointed as Sunday School teacher in my church. In 2004 I was appointed as Assistant Pastor. As the power of God continued in my life, I was officially installed as pastor for the church following the death of our pastor.

I feel a call to evangelize the interior areas, going to every village.

Thank you so very much for your financial support and prayers.
