

GARYEZOHN, ROBERT

I was born in Doewein, Grand Bassa County, Liberia on 22 May 1960. I am married to Mrs. Fatu Garyeazohn and we have 6 children. My mother was a Christian but my father was not. However, my father did receive and obey the truth prior to his death. Both parents were members of the Doewein UPC.

In 1980 I attended a UPC Sectional conference. At the end of the conference I was baptized in Jesus Name and received the Holy Ghost.

After faithful service God began to use me in the following ministries:

1982-1993- Church Secretary.

1987- I received my first ministerial license.

1996-2002 - Assistant Pastor

June 2002- Present- Pastor, New Life UPC, which was started by me.

This church is in the interior of Liberia. I minister throughout this area in church planting, rural evangelism and help to train ministers in the Portable Bible School.

When God called me to preach, I had no Bible knowledge. I decided to take my problem to the Lord in prayer. God answered my prayer and I received a scholarship to attend Maranatha Bible College (MBC). I completed 3 years of Bible College sponsored by the Ladies Ministries.

Thank you so very much for your financial support and prayers.
