

Mulbah, Moses K

I, Pastor Moses K. Mulbah, was born July 18, 1958 unto the union of Mr. and Mrs. Mulbah Koiwen in Torlekalai Town, Liberia. My parents were not saved. I first heard the gospel in 1978. I was baptized January 20, 1982 and received the Holy Ghost in the water. I am married to Sister Martha S. Mulbah and we have 6 children. My wife was baptized and received the Holy Ghost on the same day as I. Our children are baptized and filled with the Holy Ghost.

My parents never knew the Lord until I was called in the ministry of Jesus Christ. One day I began to tell my mom and dad about the good news of Jesus Christ and they were very happy. I baptized both of them in Jesus Name and God filled them with the Holy Ghost.

I pastor the Bopolu UPC in Gbarpolu county, Bopolu city. This is in the western part of Liberia. We recently held a 3 day revival at Henry Town UPC and five people were baptized and three received the Holy Ghost. I am also an 11th grade student and desiring to continue my education in the 2009/2010 school year.

Thank you for your prayers and financial support. Your financial support will really help me and my family devote more time to the ministry.
